About NGASM :

NDRI Global Alumni Scientific Meet 2019 is being organized with an aim to bring world leaders from diverse fields to share their experiences - of the challenges they faced and overcame to emerge victorious. Their inspiring story, we believe, will inspire the young minds to envision for themselves opportunities and traverse path to success to emerge as leaders themselves. The summit will also look forward to receiving inputs from the celebrated Dairyman, Agriculture professionals, business leaders, entrepreneurs, corporate heads and peers on how entrepreneurship and start up ecosystem could be created at this prestigious institution which has available with it host of technologies with potential for creating big social impact throughout the world. Over 1200 Scientific and Industry delegates from all over the world are expected to attend the NGASM 2019.

About ICAR :

The Indian Council of Agricultural Research (ICAR) is an autonomous organization under the Department of Agricultural Research and Education (DARE), Ministry of Agriculture and Farmers Welfare, Government of India. With 101 ICAR institutes and 71 agricultural universities spread across the country this is one of the largest national agricultural systems in the world. The Council is the apex body for coordinating, guiding and managing research and education in agriculture including horticulture, fisheries and animal sciences in the entire country.

About NDRI, Karnal:

The institute has been ranked as No. 1 among 75 Indian Agricultural Universities by ICAR and recognized as Special Mention Institution by NIRF of Ministry Govt of India (MHRD). The National Dairy Research Institute as country's premier Dairy Research institution has developed considerable expertise over the last five decades in different areas of Dairy Production, Processing, Management and Human Resource Development. Realizing the challenging need of global Dairy Trade, the Institute is continuously working to develop its R&D and HRD programmes to better serve the nation in terms of food security, employment generation, poverty alleviation and economic prosperity.

About Expo :

Global Dairy Exhibition is a platform for Dairy Farming and Dairy Processing Technologies. It is aimed at creating and providing a perfect business platform for the Dairy and allied Industry stake holders. It is a perfect opportunity for Dairy Business Industry.
